

| NO. | BESCHREIBUNG / DESCRIPTION          |
|-----|-------------------------------------|
| 1   | ISOLIERKÖRPER STIFT / INSULATOR PIN |
| 5   | KONTAKTSTIFT/ CONTACT PIN           |
| 8   | DOSENGEHÄUSE / SHELL                |

| NO. | MASSE / DIMENSION |
|-----|-------------------|
| A   | 1 1/2-18NEF-2A    |
| B   | 20.6              |
| C   | 4                 |
| D   | 34.2              |
| E   | 35.3              |
| F   | 34.9              |
| G   | 44.5              |
| H   | 3.7               |

|                                                                                                    |

| Specification and Dimensions subject to change<br>Drawings illustrate normal insulator positioning |

|                                               |
|-----------------------------------------------|
| Material Specification:                       |
| Shell Material: Aluminium alloy               |
| Shell Plating: Black Zinc Cobalt (conductive) |
| Insulator Material: Neoprene                  |
| Contact Material: Copper alloy                |
| Contact Plating: Hard silver                  |

|                                                                                                                                                                                                     |                                                                                                                           |
