 SEE TE CONNECTIVITY QUALITYMANAGEMENT PROCEDURE NO. 1.12

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions and assembly details. The part has a central rectangular body with a width of 60 and a total width of 66. It features two vertical slots on the right side, each 16 units wide. The part is mounted on a base with three screws (M3) and a central pin. Dimensions include a height of 10, a central offset of 4.5, and a total height of 24. A dashed line indicates the center of gravity.
