

Quality Products. Service Excellence.

Fan Panel *PPFP Series*

Features

- Create your own 19" rack mount fan or filter fan panels.
- Fits standard EIA-310-D compliant rails.
- Accepts standard square fans (available below or use your own).
- For a filter fan panel use our filter fan grills below.
- Perfect for an intake fan panel. When using "push-pull" cooling use the fan grill panel below for exhaust.
- Rugged textured black powder paint.
- Requires mounting **hardware**.
- Control your rack temperature with our **economical, compact thermostat**.
- RoHS Compliant.
- Manufactured in North America.
