

## High Current Connectors - HV M10/1 - 3049408

Please be informed that the data shown in this PDF Document is generated from our Online Catalog. Please find the complete data in the user's documentation. Our General Terms of Use for Downloads are valid (<http://phoenixcontact.com/download>)

High Current Connectors, nom. voltage: 1000 V, nominal current: 269 A, connection method: Bolt connection, number of connections: 1, cross section: 1.5 mm<sup>2</sup> - 120 mm<sup>2</sup>, width: 32 mm, height: 73.5 mm, color: gray, mounting type: NS 35/7,5, NS 35/15

### Your advantages

- ✓ Comprehensive, supplementary accessories
- ✓ For connecting up to four conductors

RoHS

### Key Commercial Data

| Number of shocks per direction                                                            | 3                                                   |
| Test directions                                                                           | X-, Y- and Z-axis (pos. and neg.)                   |
| Relative insulation material temperature index (Elec., UL 746 B)                          | 130 °C                                              |
| Temperature index of insulation material (DIN EN 60216-1 (VDE 0304-21))                   | 130 °C                                              |
| Static insulating material application in cold                                            | -60 °C                                              |
| Behavior in fire for rail vehicles (DIN 5510-2)                                           | Test passed                                         |
| Flame test method (DIN EN 60695-11-10)                                                    | V0                                                  |
| Oxygen index (DIN EN ISO 4589-2)                                                          | >32 %                                               |
| NF F16-101, NF F10-102 Class I                                                            | 2                                                   |

# High Current Connectors - HV M10/1 - 3049408

## Technical data

### General

|                                                         |             |
|---------------------------------------------------------|-------------|
| NF F16-101, NF F10-102 Class F                          | 2           |
| Surface flammability NFPA 130 (ASTM E 162)              | passed      |
| Specific optical density of smoke NFPA 130 (ASTM E 662) | passed      |
| Smoke gas toxicity NFPA 130 (SMP 800C)                  | passed      |
| Calorimetric heat release NFPA 130 (ASTM E 1354)        | 28 MJ/kg    |
| Fire protection for rail vehicles (DIN EN 45545-2) R22  | HL 1 - HL 3 |
| Fire protection for rail vehicles (DIN EN 45545-2) R23  | HL 1 - HL 3 |
| Fire protection for rail vehicles (DIN EN 45545-2) R24  | HL 1 - HL 3 |
| Fire protection for rail vehicles (DIN EN 45545-2) R26  | HL 1 - HL 3 |

### Dimensions

|                  |         |
|------------------|---------|
| Length           | 67 mm   |
| Width            | 32 mm   |
| Height           | 73.5 mm |
| Height NS 35/7,5 | 76 mm   |
| Height NS 35/15  | 83.5 mm |
| Bolt length      | 40.5 mm |

### Connection data

|                                                                         |                     |
|-------------------------------------------------------------------------|---------------------|
| Connection method                                                       | Bolt connection     |
| Conductor cross section solid min.                                      | 1.5 mm <sup>2</sup> |
| Conductor cross section solid max.                                      | 120 mm <sup>2</sup> |
| Conductor cross section flexible min.                                   | 6 mm <sup>2</sup>   |
| Conductor cross section flexible max.                                   | 120 mm <sup>2</sup> |
| Conductor cross section flexible, with ferrule with plastic sleeve min. | 6 mm <sup>2</sup>   |
| Conductor cross section flexible, with ferrule with plastic sleeve max. | 120 mm <sup>2</sup> |
| Cable lug connection according to standard                              | DIN 46234           |
| Min. cross section for cable lug connection                             | 6 mm <sup>2</sup>   |
| Max. cross section for cable lug connection                             | 120 mm <sup>2</sup> |
| Bolt length                                                             | 40.5 mm             |
| Bolt diameter                                                           | 10 mm               |
| Tightening torque, min                                                  | 10 Nm               |
| Tightening torque max                                                   | 20 Nm               |
| Cable lug connection according to standard                              | DIN 46235           |
| Min. cross section for cable lug connection                             | 10 mm <sup>2</sup>  |
| Max. cross section for cable lug connection                             | 95 mm <sup>2</sup>  |
| Bolt length                                                             | 40.5 mm             |
| Bolt diameter                                                           | 10 mm               |
| Tightening torque, min                                                  | 10 Nm               |
| Tightening torque max                                                   | 20 Nm               |
| Cable lug connection according to standard                              | DIN 46237           |
| Max. cross section for cable lug connection                             | 6 mm <sup>2</sup>   |

## High Current Connectors - HV M10/1 - 3049408

### Technical data

#### Connection data

|                        |         |
|------------------------|---------|
| Bolt length            | 40.5 mm |
| Bolt diameter          | 10 mm   |
| Tightening torque, min | 10 Nm   |
| Tightening torque max  | 20 Nm   |
| Screw thread           | M10     |
| Tightening torque, min | 10 Nm   |
| Tightening torque max  | 20 Nm   |

#### Standards and Regulations

|                                                        |               |
|--------------------------------------------------------|---------------|
| Connection in acc. with standard                       | CSA           |
|                                                        | IEC 60947-7-1 |
| Flammability rating according to UL 94                 | V0            |
| Fire protection for rail vehicles (DIN EN 45545-2) R22 | HL 1 - HL 3   |
| Fire protection for rail vehicles (DIN EN 45545-2) R23 | HL 1 - HL 3   |
| Fire protection for rail vehicles (DIN EN 45545-2) R24 | HL 1 - HL 3   |
| Fire protection for rail vehicles (DIN EN 45545-2) R26 | HL 1 - HL 3   |

#### Environmental Product Compliance

|            |                                                                                                     |
|------------|-----------------------------------------------------------------------------------------------------|
| China RoHS | Environmentally Friendly Use Period = 50                                                            |
|            | For details about hazardous substances go to tab "Downloads", Category "Manufacturer's declaration" |
