## Bench Case Enclosures 1210 Series

Flame Retardant ABS w/ Aluminum Panel

### Key Features:

- The Bench Case is a British-designed plastic enclosure.
- Ideally suited for mounting printed circuit boards for use in bench top applications.
- Molded in a choice of black (RAL 9005) or grey (RAL 9018) - flame retardant ABS plastic.
- Satin texture finish.
- Complete with plastic top & bottom, removable aluminum front panel, four rubber self adhesive feet and four self tapping screws.
- The top panel & bottom halves include a flat display area, perfect for labels or silk screening..
- The base is molded with six bosses for easy P.C. board mounting (see drawings for locations and PC board size).
- The removable 1.5mm thick aluminum end panel is securely clamped by the two box halves and easily customized.
- Hole in rear of enclosure for easy cord access.
