Part Number:

0879160011

Status:

Active

Description:

1.00mm Pitch DDR-2 DIMM Socket, 22.5 Degree Angle, Through Hole, 240 Circuits, 1.8V Voltage Key, 0.76µm Gold (Au) Plating, 3.18mm Tail Length, with Off-White Latches, Lead-Free

|                               |                                                              |

| Durability (mating cycles max)                 | 25                             |
| Entry Angle                                    | 22.5° Angle                    |
| Flammability                                   | 94V-0                          |
| Housing Color                                  | Black                          |
| Keying to Mating Part                          | Yes                            |
| Latch Color                                    | Natural (Off-White)            |
| Material - Plating Mating                      | Gold                           |
| Material - Plating Termination                 | Tin                            |
| Material - Resin                               | High Temperature Thermoplastic |
| Net Weight                                     | 11.431/g                       |
| PC Tail Length                                 | 3.18mm                         |
| PCB Locator                                    | Yes                            |
| PCB Retention                                  | Yes                            |
| PCB Thickness - Recommended                    | 2.40mm                         |
| Packaging Type                                 | Tray                           |
| Pitch - Mating Interface                       | 1.00mm                         |
| Plating min - Mating                           | 0.762µm                        |
| Plating min - Termination                      | 2.540µm                        |
| Temperature Range - Operating                  | -55° to +85°C                  |
| Termination Interface: Style                   | Through Hole                   |
| Electrical                                     |                                |
| Current - Maximum per Contact                  | 0.5A                           |
| Voltage - Maximum                              | 30V                            |
| Voltage Key                                    | 1.8V                           |
| Solder Process Data                            |                                |
| Duration at Max. Process Temperature (seconds) | 010                            |
| Lead-freeProcess Capability                    | SMC&WAVE                       |
| Max. Cycles at Max. Process Temperature        | 002                            |
| Process Temperature max. C                     | 260                            |
