

Twin Industries ABS project boxes with custom-fit prototyping boards are sold together under a single part number, eliminating the need to find a compatible board and cut or shape the board to fit box dimensions. Mounting holes are provided to attach boards to lids. Uncommitted board area for mounting board edge connectors or components.

Features:

- Protoboards made with FR4 laminate, 0.062" thick
- Part# xxx-7100 = non-plated board / Part# xxx-8000 = plated board
- Prototyping holes spaced on 0.1" x 0.1" grid
- Mounting holes to attached board to box lid.

Box+Prototyping Board
With non-plated board

Box+Prototyping Board
With plated hole prototyping board.

Part Numbers:

B10-7100 / B10-8000
Box size: 4.5" x 2.3" x 1.7"

B20-7100 / B20-8000
Box size: 5.3" x 2.9" x 1.9"

B30-7100 / B30-8000
Box size: 6.3" x 3.7" x 2.4"
