

Made in the United States of America

- The material is 1/2" (13mm) 2 layers, black solid rubber on top and resilient sponge rubber underneath to provide superior antifatigue properties.
- Anti-slip backing prevents mat from slipping.
- Two layers of rubber prevent edges from curling.
- Mats are made from an SBR synthetic material
- Beveled edges make it easy to roll chairs and/or carts over.
- Easy to sweep and use a damp mop to clean.
- Ideal for employees standing for long periods of time such as assembly lines, salons, laboratories, check-out counters, shipping areas, pharmacies and more.
- 3 year guarantee against manufacturing defects. Properly maintained mats are useful for 10 plus years.
- Custom sizes and laser engraving available upon request.

Mat In-Use

ITEM #	DESCRIPTION	SIZE
