

6 PACKAGING: 1 PIECE IN A BAG

This diagram shows an exploded view of a 4-pin connector assembly. It consists of a square housing with a 4-pin connector on one side and a cable on the other. The 4-pin connector has a circular face with four pins. The cable has a braided shield and a plastic jacket. The assembly is shown in an exploded view, with the housing, connector, and cable separated. Callouts 1, 2, and 3 point to the housing, the 4-pin connector, and the cable, respectively.

A technical drawing of a circular object, possibly a lens or a disk, showing concentric rings. A vertical line passes through the center, and a horizontal line also passes through the center. A 45-degree angle is indicated by an arc and arrows, starting from the vertical line and extending to the right. The outer edge of the object is scalloped.
