

PLEASE CHECK WWW.MOLEX.COM FOR LATEST PART INFORMATION

Part Number:

0395156013

Status:

Active

Overview:

Eurostyle Terminal Blocks

Description:

3.81mm Pitch Eurostyle Vertical PCB Header, with Threaded Retention Inserts, Green Housing, 13 Circuits

|                               |                                                              |
|-------------------------------|--------------------------------------------------------------|
| Documents:                    |                                                              |

|                               |                            |
|-------------------------------|----------------------------|
| Agency Certification          |                            |
| UL                            | E48521                     |
| General                       |                            |
| Product Family                | Terminal Blocks            |
| Series                        | 39515                      |
| Application                   | N/A                        |
| Component Type                | PCB Header                 |
| Overview                      | Eurostyle Terminal Blocks  |
| Product Name                  | ESE, Eurostyle Pluggable   |
| Type                          | Euro Block                 |
| UPC                           | 822350438957               |
| Physical                      |                            |
| Circuits (Loaded)             | 13                         |
| Entry Angle                   | N/A                        |
| Lock to Mating Part           | Yes                        |
| Number of Rows                | 1                          |
| Orientation                   | Vertical                   |
| PC Tail Length                | 3.50mm                     |
| PCB Thickness - Recommended   | 2.50mm                     |
| Panel Mount                   | No                         |
| Pitch - Mating Interface      | 3.81mm                     |
| Pitch - Termination Interface | 3.81mm                     |
| Polarized to Mating Part      | Yes                        |
| Shrouded                      | Fully                      |
| Stackable                     | No                         |
| Temperature Range - Operating | -40° to +105°C             |
| Wire Size AWG                 | N/A                        |
| Electrical                    |                            |
| Current - Maximum per Contact | 8.0A                       |
| Voltage - Maximum             | 300V                       |
| Material Info                 |                            |
| Reference - Drawing Numbers   |                            |
| Product Specification         | PS-39500-001-001           |
| Sales Drawing                 | SD-39501-002, SD-39515-001 |

|                                                               |               |
|---------------------------------------------------------------|---------------|
| EU ELV                                                        |               |
| Not Relevant                                                  |               |
| EU RoHS                                                       | China RoHS    |
| Compliant with Exemption 6(c)                                 |               |
| REACH SVHC                                                    |               |
| Contained Per - ED/61/2018 (27 June 2018)                     |               |
| Lead                                                          |               |
| Halogen-Free                                                  |               |
| Status                                                        |               |
| Low-Halogen                                                   |               |
