\*\*Commercial version is MDA Series. See Data Sheet 2002 for more information.

**Military Specification MIL-F-23419/03** - FM03 series cancelled August 1977. Replaced by FM09A\* series.

**Military Specification MIL-F-23419/06** - FM06 series cancelled. Replaced by FM09B†† series. FM01 Series unavailable with plating options.

FM08 Series can be tin-plated except the 15A. Suffix the letter "T" to the Type Designation Number; i.e. "FM08A125V3/4A."

\* FM09A Series can be silver-plated. Suffix the letter "S" to the Type Designation Number; i.e. "FM09A1-1/2AS."  
††FM09B Series unavailable with plating options.

\*\*Commercial equivalent part number is for basic design reference only. Not intended to be used as a substitute for the military part number.

† These government designations are obsolete. Their appearance in this table is for historical reference only.

The only controlled copy of this data sheet is the electronic read-only version located on the Eaton network drive. All other copies of this document are by definition uncontrolled. This bulletin is intended to clearly present comprehensive product data and provide technical information that will help the end user with design applications. Eaton reserves the right, without notice, to change design or construction of any products and to discontinue or limit distribution of any products. Eaton also reserves the right to change or update, without notice, any technical information contained in this bulletin. Once a product has been selected, it should be tested by the user in all possible applications.
