- The diagram illustrates the assembly of a plug. It features a main plug housing with a circular opening. A plug subassembly, which includes a ferrule, is shown being inserted into the housing. The ferrule is a cylindrical component that fits over the plug subassembly. Two different lock components are shown: one with a body clip slot and another without. The plug housing is labeled with the part number 1924131-1. The plug subassembly is labeled with the part number 1924131-1. The ferrule is labeled with the part number 1-413889-4. The lock with the body clip slot is labeled with the part number 1438894-2. The lock without the body clip slot is labeled with the part number 1438888-1.
