SPECIFICATIONS

- Molded in Natural Nylon 6/6

Molded nylon cable clamps secure, insulate and route cable, wiring, tubing, piping, and fiber optics. These tough, durable chemical resistant nylon 6/6 cable clamps are perfect for applications in electronics, automotive, air craft, appliance and many other industries.

The economical standard series has a 3/8" wide contact area and is designed for medium to lightweight applications. All contact edges have full radius for product protection. Sizes are clearly marked on each clamp.
