Part Number:

0395435117

Status:

Active

Overview:

Eurostyle Terminal Blocks

Description:

5.00mm Pitch Eurostyle Horizontal Fixed Mount PCB Terminal Block, with Standard Imprinting, 17 Circuits

|                                |                                                      |

| Circuits (Loaded)                              | 17                                                 |
| Entry Angle                                    | Vertical                                           |
| Lock to Mating Part                            | None                                               |
| Number of Rows                                 | 1                                                  |
| Orientation                                    | Horizontal                                         |
| PC Tail Length                                 | 3.50mm                                             |
| PCB Thickness - Recommended                    | 2.50mm                                             |
| Panel Mount                                    | No                                                 |
| Pitch - Mating Interface                       | 5.00mm                                             |
| Pitch - Termination Interface                  | 5.00mm                                             |
| Polarized to Mating Part                       | N/A                                                |
| Stackable                                      | No                                                 |
| Temperature Range - Operating                  | -40° to +105°C                                     |
| Wire Size AWG                                  | 16, 18, 20, 22, 24                                 |
| Wire Size mm²                                  | 0.20-1.31                                          |
| Electrical                                     |                                                    |
| Current - Maximum per Contact                  | 10.0A                                              |
| Voltage - Maximum                              | 300V                                               |
| Solder Process Data                            |                                                    |
| Duration at Max. Process Temperature (seconds) | 005                                                |
| Lead-freeProcess Capability                    | WAVE                                               |
| Max. Cycles at Max. Process Temperature        | 135                                                |
| Process Temperature max. C                     | 260                                                |
| Material Info                                  |                                                    |
| Reference - Drawing Numbers                    |                                                    |
| Sales Drawing                                  | SD-39543-006, SD-39543-006-001                     |

|                                                               |              |
