TERMINAL CUTOFF POINT

VIEW SHOWING TYPICAL TERMINAL  
CUTOFF OF TAIL (SEE NOTE 10) FOR VOIDED CIRCUITS.

TYPICAL VIEW SHOWING VOIDED CIRCUIT  
(CIRCUITS 2,3,6 & 7 SHOWN VOIDED)

PC BOARD LAYOUT FOR  
8 POSITION HOUSING  
(COMPONENT SIDE OF BOARD)

NOTES:  
1. RECOMMENDED MINIMUM PCB THICKNESS: .034/0.86

|                                                                                                                             |                                   |                                                      |                                       |        |                       |          |                                                                                                                               |                   |                                                                                                              |
